## **Planning & Development Committee Public Hearing, March 4, 2016**

### ***ESTABLISHING A PILOT PROGRAM FOR AUTOMATED SPEED ENFORCEMENT DEVICES***

**Testimony of Bob De Cosmo, President of the CT Property Owners Alliance, LLC.**

### **In opposition to S.B. 332**

Honorable members of the Planning and Development Committee, I appreciate this opportunity to supply testimony against SB 332.

This is simply a bad idea and wrong;

**“Proof of the registration number of the motor vehicle therein concerned shall be prima facie evidence that the owner was the operator of the motor vehicle”**

Let's let the police departments do their jobs and we can't have the assumption of guilt and having to prove your innocence becoming the law in Connecticut, thank you.

Sincerely,

Bob DeCosmo
